The Covid-19 pandemic might have been 'the worst of times' for many, but for those, who convert challenges into opportunities and quest for a medium to adorn their thoughts and imagination, it was perhaps 'the best of times'. Unlike many a soul that were constrained to shut down the pace of growth, most of the educational institutions exploited the emerging challenges and breezed through facilitating the new age learners with expression of ideas and imagination. Sainik School Goalpara was one of those institutions that left no stone unturned to quickly adapt to the testing times. Recognising the need of the hour, the school encouraged its students to participate in various online competitions that were aimed at enhancing their wholesome growth. Besides a wide range of such activities conducted in the school during the session, this edition of 'The Puberun-The Rising Sun' is a humble initiative to exhort the budding students and provide them with an opportunity to showcase their imagination and latent thoughts in beautiful words. Hope it would also motivate them to make best use of their leisure time.

Wish you all a happy reading! Read on...

From the Principal's Desk

Sainik Schools are cradle of leadership for those who aspire to become officers in the Armed Forces. Our objectives are set in such a manner so as to fulfill and support the basic training philosophy of NDA, Naval and Air Force Academics, hence the foundation of the school is laid on the fundamental needs of our Military Training.

In today's world, especially in educational arena, intensive efforts are being made to transform the educational system to propel students to achieve higher scholastic levels. With the same pragmatic approach, Sainik School Goalpara is relentlessly marching ahead to achieve its coveted goal by transforming its cadets into responsible citizens, capable of withstanding the rigours of time, packed with the spirit of nationalism and above all good human beings. It is our onerous responsibility to prepare and groom our cadets to face the life in totality by equipping them with traits and values of a leader.

As it is said that there is no best which can't be bettered. In this era of intense competition & pandemic, it is of immense importance to impart an integrated education that lays the foundation of a civilized society and trains the individuals to survive despite all odds. To achieve and realize this, both staff and cadets play an important role by sharing a common view, that if targets are to be achieved, strict discipline has to be accepted as a baseline. Being the Principal of the school, it gives me immense satisfaction to enumerate that with persistent beaconing and coadjuvancy from the SSG fraternity, the school is proudly achieving the status of premier institute in terms of academics and sports and also adding more number of cadets to the Defence Forces.

I compliment the Editorial Board for bringing out this issue of 'Puberun' and call upon the staff and the cadets to work with an unabated zeal so that the aims and objectives of our institution are not compromised at any stage. I wish Sainik School, Goalpara to conquer still greater heights of success.

Summer

The warmth on my skin,
The heat on my face,
Humidity in the air,
The sweat after a race,
Longer days with fun and joy,
Are what summer brings.
The sky is a brilliant shade of blue,
And so many fascinating things.
The cold, tingling feeling of the pool,
Give our skin a sign of relief.
Our minds think of lazy days,
When nobody is in grief,
A smile on everybody's face,
Fill our hearts with delight.

Cdt. Supriyo Dev Chowdhury
X (6175), Udaigiri

Either winter or monsoon,
spring or summer,
the unsinkable ship,
floats forever.

This is my only lifeboat,
on which I survive.

It is warmer than anything else,
and has always helped me revive.

*it's
me!*

Cdt. Kaushik Boruah
IX (6295), Ekalavya

I was just a paper,
Fallen here and there,
I was alone at the desk,
But didn't have any fear.
By being origami and planes,
I gave them the needed happiness,
But, in return, I was thrown into darkness.

It was a tissue paper,
Soaking all their pains and sorrows
And for the sake of reward
I was torn into pieces and got dumped into
burrows.
I was a stuffed toy.
I released their anger to the depth,
But with their changing age,
I was ignored as the body of a stranger's death.

Finally, I was a human
But I regretted my whole afterlife.
It was better to die out of starvation,
But I was killed with a knife.
I was stabbed, till my soul goes out
Far, far away from my life.
And you know what?
Love was the name of the knife.

The Only Way

Cdt. Rohan Bora
IX (6298), Aniruddha

I failed, but
I am not under stress
Because I think that
Failure is a way to
Our Success
We learn from our
Drawbacks to progress.

But it's time
To pull up our socks
And upgrade ourselves
Because more troubles
Are going to come
Our way.

If you run towards it
It will go away
But if you
Learn to avoid
Then it will come
Your way.

It is a race
That never ends
It has a single way
And a single
Destination
With no shortcuts
And we can
Reach it only with
Hard work.

A TRIBUTE SOLDIERS

Cdt. Priyesh Yadav
IX (6311), Chilarai

For us, they are on the border,
Who can't break the order,
Who are always ready to sacrifice,
They are as willed as the Himalayan ice.
Salute to the Indian soldiers!
Because of them, we have safe stood,
And are secure in our Indian abode.
Who are always ready on command,
Who has only one brand,
Salute to the Indian soldiers!
They fight battles without any fear,
Least bothered by threats of the future year.
Who see no day or night,
Who are always ready to fight,
Salute to the Indian soldiers!
Who celebrate their festivals,
With the valor of bullets and guns,
And while we play Holi with diverse colours;
They play in combat with rifles
And know only one colour which is 'Blood Red'.
Salute to the Indian soldiers!
We complain of a hot or cold day,
While they stay in the harsh Siachen every day.
They are never sure of their own life or
Know if they ever meet their son and daughter.
Salute to the Indian soldiers!
Alas! Why do politicians play with their lives?
And, why compensation for their lives
Is done with some amount of money,
Is that all our duty towards our great Indian Army?
Again and again, salute the Indian soldiers!

Are All Ahead?

Cdt. MU Harshita
XI (6514), Lachit

An Alpha, an Angel
An Ally, an Antagonist
Astoundingly asymmetrical

Adorned are areas apart
Abide ascendancies asunder
Arenas, arenas apart

Although; all asked at accent
"Are all, are all ahead?"
"Alas! All allowed aren't"

"Aloof isn't as appear
Across axis as ahead
Abandon able ain't an air
As avoiding adversaries
And adversaries' adventures
All align at an ancillary Antares

Anyhow; abandonment
And acceptances all are ashore
And answers are at advancement..."

A FATHER'S EMOTIONS

Cdt. Avyukt Kumar
XI (6069), Lachit

I ponder to respond, Thou tell me?
Sunflower of my eos!
Stopped my saunter, and stridden me up.
Now counting, three.
At the first touch, I am confused,
I dare not, touch thou.
My stiff shivering pampers.
Little humming, cute and agile.

Red, pink, purple, seemed to be sent
to fill us with colours.
Thy glance, quenched my thirst.
Thine lips are jelly in ocean,
Cheeks like Trampoline
The wetness, wet my fire and ice.
Thy baggy skins, wrinkled, shallow pit.
Thy little one, inside my fist
Made me full of emptiness.

Folk, masses, kin ask about his name
How do I tell them
Joy, his name, and Rejuvenation, his title.
Coming creepily behind.
Put my hands up and
levitate the atmosphere,
With my laudable
wild and novice steps.
Wanna try, Blue and Jazz, No care.
Yes, listen to all the Dikpals!
Kal, Janus, Chronos whosoever...
Let the time freeze off
Because I, I just wanna capture

all shreds in my sinews.

Welcoming you with Honey and Ghrit
and thine reded feet on jambee
Many Sanskaras to do.
I do wait only. Because rest is going
to be wonderful for three.

The world is very depth full
but ravenous plain
Voices are sober, cynical comic!
But I'm aware of these,
Sickening crafted winds
Blowing & whipping on my old manor,
Screaming & gruelling on pillars.
Dancing down in my orchard.
Quarrelling with mango leaves!
Also followed by their friends.

This old manor has seen a lot
Sustained, very well
-Veness... Do over the +veness
Of pious leaves?
After all, they have taught
How to be like water bear.
My dear, all will be there, no worries!
Two are here, having thou peaceful sleep.
Even not completed my spindle reveries
But a lot dreams for thou,
We'll.
A lot of dreams for thou.

THE WIND

Cdt Tamas Gohain
VIII (6311), Aniruddha

Who has seen the wind
Neither you nor I
But when the leaves are flying
The wind is blowing.

Who has seen the wind?
Neither you nor I
But when the trees hang trembling
The wind is blowing.

Who has seen the wind?
Neither you nor I
But we can feel the winds
When it is blowing.

Just Like Yesterday!

Cdt Gaurav Nath
IX (6272), Aniruddha

Seems like we were dreaming for too long
Just yesterday was the beginning of snow
But now, it looks the whole winter has gone.

Warm rays of summer
Chilly touch of December.
Air passed by like a film tape
Without leaving a drop of tear.

Even if I missed a sunset in the evening
I slept every night with a hope that
Tomorrow again it will be there for me
To embrace its beauty.

But this time a bird knocks on my door
With a note says
"You have already reached the shore."

The Unlucky Girl

When I was younger,
I was always swinging.
Now, when I am older,
To work – I am clinging.
Life's gotten harder,
People – fake and sharper.
Never thought this was how I'd feel!
I'm craving some time to chill'
Instead, I'm finding a pill,
That could kill, That would kill!

I just want some 'ME' time
Give me some peace!
I don't even have a dime,
To afford a block of cheese.

After all this,
I still trust God.
The old times - I miss,
You're my saviour, Oh Lord!

Ah! Thanks, mom for the goodnight kiss,
That just made my day.
Those were the day I miss,
When I used to play with clay.

AS I passed by the market,
The beauty of the necklace made its target.
The Miraculous gloss of the Necklace,
Not even the moon could ever replace it.
How I wish I could make it mine,
But the price whine
The jeweller shooed me away,
Ah, I forget!
I was a kid who couldn't even afford clay!!

THE VERACIOUS VOWS OF MY LIFE

The Gift of Life

Cherish, if it is still alive,
Because that's what we need,
On the brink of extinction,
We are thriving, don't let it extinguish.
Everlasting happiness will free us from
the chain of sorrows.
What is left with us is a pot,
If happiness can be drunk in a cup of tea,
I want to drink it whole.
But won't I be selfish?
After all, we are used to it.
This is where we stand,
The gift of life,
not to be buried in graves but heart.
And when the end knocks, it ebbs away.
Slowly, for eternal peace.

I wasn't close with you ,
You & I became best friends when we spent
lots of time together,
Shared our thoughts and memories, and spoke silly.
Together we believed that
We can be partners in crime affably.
Saying, "Thank you is important because
You made me jolly when time was at worst."

You came from nowhere but stayed on
for somewhere.
After dawdling for months,
We shared a comfortable zone,
It helped me to find my inner smile and happiness.
Also I grasped so much new from you!
Saying "Thank you" is beneficial because
It made me realise the mistakes I made.

Hi...! How Are you? What's going on..?
I have heard this from you a lot when
Time had made me conned.
You made me believe that nothing can stop me
from making myself better & better every single day.

Saying "Thank you" seems less
but you mean a lot to me on this distinct day
Obnoxious like bunny, happy and funny.
All these prattling are always perpetual for me
It's priceless and costs no money.

Days passed but you waited and put up,
Even if we didn't share a word, we created nuisance.
Cherishing the moments we spent and
rebelieved that
"We can" is the key to our bond.

Not forgetting the weeks & months, sun & moon light,
and the jokes that we cracked
Writing something about you looks easy but moulding
you in words is far more strenuous.

Saying "Thank You" is a small word,
but you deserve this whole-heartedly

Mantra for Cadets to reach their pinnacle

Mr M K Barman
TGT, Social Science

Everyday is a new experience. Education is a life long process and there is no ending. No one knows everything. However, as a UPSC aspirant one must know something about everything. Cadets need to break the cocoon, clear their doubts and be bold!

Also remember, it's better to make a mistake now than to be laughed at later. The three key secrets to success are-Desire, Discipline and Dressing.

Cadets must have fire in the belly and be optimistic about their selection and hungry for their goal.

Discipline - Cadets must be self disciplined and make the most of it. Don't wait for others to come and

point your short comings. Inculcate good etiquettes and habits which are goal oriented.

Dressing should be upto the mark. Wear clothes in such a way that you are comfortable and confident, when your turnout is proper you need not worry/fear about punishments. Give your best and leave the rest to God.

Remember God helps those who help themselves. Read a lot and don't rely on unauthentic sources. Reasoning and questioning are the fundamentals of a sound cadet. Be active, take active participation in all the activities and give your best.

**Krishna Kr. Borah**

TGT (English)

Looking out of the window with a storm brewing in my mind when I see the woodpecker strumming the sweetest music on the pine, it reminds me- "life's not really that bad." The woodpecker is still drilling the trunk with the hope of finding worms, or may be a home to escape the harsh winter.

Nature could be the greatest motivator and the most intelligent teacher. The only condition is that we take a break from our mechanized life and start observing what's around us. It has been a long time since we were amazed at how clouds could drift changing shapes, now a bunny and then a tortoise, shy to look out of its shell. We couldn't recall the last tale we heard from our elders. Wisdom shrouded in stories of ancestors appears to be fickle today when we get to carry the whole world even though it lies flat in our pockets.

Gone are the days when we used to climb trees to get the juicy mangoes, search for sticks long enough to poke down the ripe papayas or just play hide-and-seek in the afternoon where everyone tried to stay hidden. Now no one really comes out of their homes and goes into hiding forever. Tiger ornamental tarantula weaving nets in the backyard reminds of how life needs to be. No matter how many times the net gets torn, next day it is as good as new. Every day is fresh; we just need to change our perception of looking at it.

We do not have a moment to look at the setting sun spilling the sky with red, orange and yellow shades; a variety of colours that makes it beautiful. Doesn't it remind us of the variety of

shades in our own lives, which make it worth living? We could not remember if we have ever seen the silver moon shining on the silent river at night where ripples of the river seemed as silver ribbons laid across it. We may understand that darkness in our lives is actually not dark. We could always search for the silver lining in it.

Life brought up amidst nature is blessed with happiness and fulfillment. We are stressed and distressed, unaware of the fact that we are taking medicines to avoid a situation we are not in yet. The mud cannot make us dirty and the dirt cannot make us fall sick. Food is for the body as Nature is for the soul. When the soul is happy, the life is well lived.

ARE FARM LAWS A BLESSING OR A BLIGHT ?

Rohit Prusty
IX, 6655

All the attraction to farm laws began when on 19 Nov 2021, Prime Minister Narendra Modi announced that the government had decided to repeal all three farm laws. PM said that the government couldn't convince the farmers about the benefits of the farm bills and hence, they were repealing the farm laws. During this period, there were protests by farmers all over the country. This all began when on 20 September 2020, parliament passed three farms bills:-

1. Farmers (Empowerment and Protection) Agreement of Price Assurance and Farm Services Bill: Under this contract farming farmers will get the price assurance before sowing the crops which will eventually help to empower farmers to engage with wholesalers, exporters, etc.

Benefits: When companies directly deal with farmers, middlemen are removed. Thus, both sides are benefitted and sometimes farmers can even take money in advance and avoid taking loans.

Drawbacks: In reality, a company wanting large quantities from farmers will never deal with small farmers. Thus, this opportunity is out of reach for these marginal farmers. Sometimes these contracts can become one-sided as companies are powerful.

2. Essential Commodities (Amendment) Bill: This bill removed pulses, edible oils, onion, serials, potatoes, and oilseeds from the essential commodities list, and thereby the restrictions on the storage of these items will be removed.

Benefits: This will reduce the hoarding of double the buffer stocks in the godowns than

needed by FCI which ultimately get wasted. Now when there will be no restrictions on storage, companies will invest in the storage infrastructure.

Drawbacks: Hoarding is still a legitimate concern as traders always want to make a profit due to which they would sell the goods when their price is high in the market.

3. Farmers' Produce Trade and Commerce (Promotion and Facilitation) Bill: 'One Nation-one market' concept was introduced to allow farmers to sell their products anywhere in the country.

Benefits: As farmers will be allowed to sell their products anywhere in India and unlike selling in 'mandis' where they have to pay tax, here in this scenario, it will help them to make a profit.

Drawbacks: By this, 'mandis' along with the state which gets tax from them may get reduced and when farmers will sell outside the mandis, they will have to wait for days to get payment which may be problematic and may be misused by some people.

ANNUAL TRAINING CAMP

Cdt. MD. Allam Subhani
Class-XII (Lohit)

I want to share my experience at ATC Camp 2018. It was the best moment of my life I had ever felt. It really gave me goosebumps whenever I used to think that I was going to use a gun for the first time in my life. We went to the campsite and did the work as per the instructions given to us. We sat there silently and waited for my turn. I was observing my batch mate whose turn was going on. When the most awaited moment came, I got up with four of my friends and moved to the ammunition area, we took our ammunition and moved to the firing range.

The command was given to us and we followed it like a gentleman. We were asked to take position. I along with my friends took our position and loaded our guns. I waited for the most awaited command, 'fire!' I looked at the target and waited for command. Then with the command of fire I shot at my target. Then reloaded our 0.25 rifle and continued with the command. We fired three bullets and three had to be on target. I was able to land all my bullets on target and two of them were bulleeyes and one was near it. After this, we were taught about another gun 'INSAS' from NCC staff and the Army who came from outside. I learned a lot from this camp and it was a wonderful experience for me. I believe attending such camps is a great opportunity and everyone should experience it. The motto of NCC - "UNITY AND DISCIPLINE", defines everything about it. NCC leads a cadet from a decent student to becoming a person who is trained for every challenge he or she faces in his/her life. As NCC is the second line of defence in India, cadets are trained in such a way that they give their best for India's defence whenever and wherever they are needed. I am privileged to be an NCC cadet and thankful to my school for giving me this platform.

As an NCC cadet, I will serve my nation at any cost, whenever and wherever I am needed.

Thankyou.

Social Networking Sites: Blessing or Curse ?

Cdt. Ayush Sutra Dhar
X-A (6605)

Social networking is fundamentally shifting the way we interact, communicate organize, form opinions, or even shop. It is blurring boundaries, increasing transparency, and creating fluidity in everything we do. Companies at all levels today are compelled to attend and cater to the influences of social network sites. The reality is that they need to go where they target their audience and that is when they expect more participation.

It is a way for you to stay connected, share things and gather feedback and collaborate to increase productivity and generate popularity to enhance your business. The invention of social media has changed our lives tremendously. Though it is a blessing, it too has a dark side, it can develop as an addiction, it has concerning privacy issues, propagation of antisocial activities and scams are also big issues with this.

As every coin has a dark side, it is very important to understand that, if we can use social media usefully and smartly, it will act as the greatest weapon but if used with heedlessly, it can ruin lives.

INDIAN ARMY

Cdt. Rajbeer Dhotia
IX (6395) Chilarai

As ordinary citizens, we learn rifle shooting as a sport, while troops play with their lives daily. Climbing mountains, sleeping in tents, and going without a home-cooked dinner is an exciting adventure for us, but the thrill is compounded by the terror of losing their own lives on battlefield. The Indian Army is more than just warriors on battlefield; it is a way of life that requires discipline and sacrifice.

The Indian Army comprises of three uniform services-

The Indian Army, Indian Air Force, and Indian Navy are the three branches of the Indian Military. The Indian Navy contributes to the sea, while the Indian Air Force, as its name suggests, contributes to the sky. The history of the Indian Army spans millennia, but it is a story of a single occurrence and a bright future. Armies were originally mentioned in the Ramayana and the Mahabharata in which the martial technique was called 'Dhanurveda.' We've come a long way since the beginning of what appears to be the Army culture. In terms of global fire power and world military strength, the Indian Army ranks fourth in the world. The British Indian Army was founded in 1776 and it is the forerunner of the Indian Army. The British Indian Army played an important role in keeping the Britishers' winning streaks going in India and around the world. Who could anticipate such an illustrious history of the Indian Army, which aided Britain in both the World Wars. It enlisted the services of 1.3 million soldiers. If a country does not have plans in place

to protect itself, it is incomplete. In today's world, enemies are a prevalent concept, and getting rid of them is a difficult undertaking. The Indian Army comprises of well-trained and strong troops. There have been numerous moments during India's lengthy history when the Indian Army has performed admirably and saved the lives of untold numbers of innocent people. Among the various armies around the globe, the Indian Army is one of the best. Soldiers are unarguably one of the country's most valuable assets as they keep the country safe and secure, allowing it to reach new heights. Where would you look for those who are willing to lay down their life for the sake of others or their country? Where do you think people would risk their lives so that citizens might live in peace? Their intelligence has earned them an unrivalled reputation and their devotion to their country helps us rest soundly at night. After all, it's rightly said that there are no hard lives than that of a soldier.

UNSAID SCHOOL rules

Cdt. Debangshu Boruah
IX, (6655) Chilarai

Do you know what the rules are at Sainik School? If you don't, you must read this article. You'll be astonished when you learn the rules. You may wonder before enrolling at Sainik School and you might not have any idea whether it would be like other schools. This school is unlike any other school. Respect must be shown to the seniors as well as the teachers and other staff members.

You learned discipline from your parents, teachers, and elders, but here, if you are found to be at fault, your seniors will take action. We must exercise caution when conversing. We must exercise caution when interacting with any elder. The way we stand, the way we speak, everything is scrutinized by them. We are unable to converse with them in the way we do with other elders. "Senior" denotes "elderly." Even if a senior is younger than you, smaller in stature, or shorter in height, you must respect him. Class XII cadets are the senior-most. The word "daa" is used as a title to engage with the elderly here. We become "daa" between the seventh and twelfth grades.

Class VI cadets are our school's youngest cadets. They don't even know what the school regulations are. Therefore, they are taught about how to act, how to talk to elders or seniors, and so on. They have some difficulties in the beginning, but they cope up well after a few days. "Every first stride is difficult, but once you begin running toward your objective, no

one can stop you." There is one thing that is occasionally, if not always, unacceptable. The key phrase is "One for all." It means that if any cadet does something improper that is not acceptable, his entire batch will be punished and the punishments awarded are merely a form of exercise; don't consider it pain and distress.

So, if you want to learn discipline, time management and important aspects of a successful life, Sainik School is the right place.

Banning of Death Penalty

Cdt. Dipansu Kr. Singh
VIII-A (5978) Udaygiri

If God is our creator and of this universe then why does someone have the authority of taking away one's life in form of death penalty? This Question might create some apprehensions, but a deep thought about it will take us to some reasonable conclusions.

First of all, killing for killing, simply doesn't make any sense as it indirectly justifies the act of killing and doesn't serve the actual purpose of preventing any further murder offenses in our society. According to a report by National Crime Records Bureau (NCRB), an average of 80 murder cases were reported daily in India in 2020 and this came up with one percent increment from the previous year. Thus, giving death sentence for each of these murders is simply adding on the faculties and we are not getting the desired result. The second aspect of this is related to proving 'guilty might meet the fate of hanging till death'. So basically it is to avoid such flaws of our judiciary so that we can emphasize banning death penalty and save life of people because this process is irreversible.

The third aspect is related to the financial advantages. Abolishing the death penalty will ease taxpayers' burden. The annual cost of maintaining a prisoner is about Rs 30000. The hangman is paid more, and we can also save on the protracted litigation that death cases involve.

If death penalty is banned, how can a victim be punished now? Lifetime imprisonment can be the option. Everyone deserves a second chance in his or

her life and so is the case with a criminal. He will get a chance to reform, and realize his mistake and if this change comes from his conscience then he will not commit any more sin in his life that might take him to a situation like this.

Therefore, punishment can be an effective deterrent only if it is consistently and promptly employed. Capital punishment cannot be administered to meet these conditions and hence we can hope for the death of this death penalty all over the world.

FIRST DAY IN KHAKE

Cdt. Ronit Sah
X-C (6182) Lachit

"Pull on socks, wear a leather belt with the motto of 'SARVA ME SADHYAM' on the buckles and shoulder the responsibilities!

Yes, on that day, I became a cadet...

Yes, on that day, first step of my dream take off...

And yes, on that day, I felt proud.

On 5 Apr 2017, Cadet Ronit was admitted to this school. After all it was renowned for making youngster's dreams come true. After my admission, my parents left the school campus at 19:09 hrs and I saw my mom's eyes filled with tears of happiness. Well, I was honest and I understood her emotions well. If I am correct, it was about 15 days after our admission, we got a chance to wear 'khaki' which is certainly a pride and an aspiration India's youth.

My first day was a motion dream in which I saw everyone around me wearing khaki and it was a mesmerizing moment of my life. It was like thousand stars sparkling together in the firmament. We were asked to fall in outside our hostel wearing a beret with a woolen yellow ball called 'pom pom' and a school cap badge bearing the 'Ashok Chakra'. I along with a few batch mates entered the class with a perfect shine on our shoulders. I was very excited to start my true life as a Cadet and also to face many challenges that were on my way. Many teachers visited our classroom that day and they complimented all of us.

Even after wearing this uniform for five long years, still a question strikes my mind. Will I ever be able to justify the respect bestowed upon me by this

uniform? People say that mirror reflects true image of a person. When I wear 'Khaki' and see myself in mirror, I feel proud as I feel the change in me. Well, it makes me think that the future of my country lies in our hands. I am pretty sure that I won't have to wait for long to get my answer.

Truly speaking, my first day in 'Khaki' was a moment that instilled confidence and pride in me. It also taught me virtue, shaped my personality and gave me a chance to serve my motherland.

VIDEO GAMES EFFECTS ON TEENAGERS

Cdt. Madhurjya Rabha
X-B (6151)

Video games are a great source of amusement and a way to fight boredom. They also help people relax after a stressful day at work. Gaming communities can often be a safe space for individuals to make friends and interact with them. However, there are negative consequences of spending much time playing video games. Gamer rage is a well-known thing that can have adverse effects. Individuals who experience this can end up destroying things at home and even hurting family members.

What is gamer rage?

One of the main problems resulting from excessive gaming is gamer rage that comes from trust and anger when a player cannot beat his or her opponent. It results in swearing and abusing opponents and family members if the game is cut short or if they are asked to leave the game.

Physical consequences

This addiction can result in poor eyesight, back pain, etc. With a lack of routine in the outer world, it can have adverse physical consequences.

Conclusion

Those who play video games need to be mindful of the amount of time spent on playing the same. They also need to be careful that they do not neglect their other responsibilities.

The impact of lockdown is seen in our day-to-day life. After the first wave, people were afraid of the death rate. There was total chaos in the country. Many labourers had to travel their way back to their homes on foot as all means of transport were shut down. Lockdown has taught us how to manage things to secure our future. The mask we use has become a part and parcel of our lives. Doctors and policemen have played the role of gods for us by saving our lives incredibly and their work is highly appreciable. The amiable spirit displayed by them while performing their jobs was incredible. Since the virus has entered our lives, we have been fully detached from social life due to which many of us have been mentally and emotionally affected too. If we think properly, there's one thing that has worked as both a curse and a boon for us and it's nothing but technology. Some of us used it to enhance our creative minds and some of us just wasted our precious time during lockdown. Small or big, every business was affected badly. Ours as well as other countries' GDP, declined at an alarming rate, but one thing that this lockdown has taught us is that Mother Nature will treat us the way we treat her.

MY MODELING JOURNEY from MR. CHERRY BLOSSOM 2020 to MR. NORTHEAST SUPERSTAR 2021

Cdt. Prateek Thapa
XI-B (5961) Lachit

"Keep a smile on your face and let your personality be your autograph."

In Japan, cherry blossoms, widely known as Sakura, are tiny pink flowers produced by cherry trees. In India, Meghalaya celebrates cherry blossom season too. Three weeks before the cherry blossom season, I learned about the beauty pageant of both Mr. and Miss Cherry Blossom. I registered for the show and went to the audition. There were a lot of boys and girls, but only five were selected for the finals and I was one of the top five finalists. I rehearsed my introduction, ramp walk etc. On the day of our finale on 27 December 2020, I was apprehensive and scared when I observed the crowd from backstage. There were a total of 70,322 people who came to witness our performance. I was able to maintain my confidence and do my best. At the end all the rounds, it was time for the judges to declare the show's winner. I was placed second in the show, but I was thrilled because it was my first time. I received a lot of positive and wonderful feedback. As a cadet of Sainik School Goalpara (Assam), I have a "Never Give Up" attitude, and following that show, one of my Male Model friends from Darjeeling notified me about the Mr. Northeast 2021 Season - 3. So I registered there as well. We all know that obstacles precede our goal. The same turned out to be true for me. I didn't have family support and I needed Rs. 6,000 for paying the registration fee. So I started saving money. I worked in a book store for one and a half weeks and I got Rs. 1,500 for my work and eventually, I was able to earn Rs. 5,000. My grandmother paid the balance and I completed my registration. At first we had an online audition. I was chosen as one of the top 90 finalists. The entire finalist group, including me,

went through a two-week grooming session during which we were taught how to walk like a professional model and how to answer questions from the judges. In addition, we had a three-day of personality development training. On 25 January, we were informed by our groomers and senior model that all the contestants from Meghalaya would leave for Guwahati on 28 January. I looked forward to the event. I packed all of my clothes and traditional garb. On 28 January, we reached Guwahati at 11:00 a.m. There were a total of 190 contestants from the entire North-East India for both Mr. and Miss categories. We know, "Hard work pays off". It gives me immense pleasure to share with you that I was the show's top 5th finalist and finally, the winner of Mr. Northeast Superstar 2021 Season-3. I won the sub-title of Mr. Best Physique and a hefty sum of Rs. 60,000. I was asked to participate in a promotional shoot for twelve various brands, including United Colors of Benetton, Wild Stone, fashionable shades, purse and rings. I shot in one of the best men's parlours in Guwahati, and after the show, I received a slew of offers and phone calls for fashion promotional shows. I did a number of fashion shows and received Rs. 1000 for walking down a single runway. I also competed in the Akriti Events Pvt's Iconic Face of Meghalaya I which I was adjudged the first runner-up. Well, I am also one of the top 50 finalists of Mr. Fame Asia International 2022. I would like to conclude by saying, "The best is yet to come."

Holders of the title:

- Mr. Cherry Blossom 2020
- Mr. North-East Superstar 2021 (Season-3)
- Mr. Iconic Face of Meghalaya 2020
- Finalist of Mr. Fame Asia International 2022
- Mr. Iconic Face of Tomorrow (Northeast 2021)

Mr Sandeep Kumar
PGT (Mathematics)

Technology has made learning possible anywhere and anytime through the use of e-learning methodologies. Educational institutions, thus, need to use technology and manage their organization in accordance with the change in technology. When educational organization adopt new innovations and new technologies, there is an imperative need on their part to be ready for the change and manage the change. Thus, change readiness and transition management have formidable tasks that are to be mastered by organizations today.

1. Vision and mission for technology use:

Why do we need to change our ways of working in an organization to technological uses? What will we achieve through this? Vision is broader in scope as it is the destination which we would like to achieve through all our efforts. It is the description of the desired future state which enshrines and motivates the stakeholders to put in their best to achieve it. It is created with the genesis of the organization and thus, it continues to guide it through the leaders.

2. Measures adopted for procuring ICT facilities.

The teaching learning curriculum, delivery of instruction, knowledge generation, assessment and evaluation are changing due to ICT. The use of ICT is also revolutionizing the education management.

It's better to keep the following measures in mind while procuring Educational Technologies.

a) Learner related- This includes admission,

registration or enrollment, time table/class schedule, attendance, report card, hostel transport, activities in the institution etc.

b) Teacher related - This includes teaching learning activities, maintaining records, service rules circulars, updates from regulatory bodies etc.

c) Institution functioning related- This includes recruitment and work allotment, attendance, team management, performance appraisal, communication with stakeholders, e-circular scheduling etc.

3. Maintenance of ICT facilities

a) This involves identifying the course of action in the future which comprises of all aspects of infrastructure and resources.

b) It takes into account the present status and the projected needs of the organization in the future. Planning is done for smooth transition to bridge the gap between the present and the future.

c) A good number of schools have been beneficiaries of ICT materials like computer, photocopier and other modern gadgets. There are also schools that have been connected to the broadband internet. Hence its maintenance is important.

Thus, "ICT should be an integral part of the education system" is no longer a matter of debate. Students must be provided with the opportunity to develop the competence required to equip

them for life in a knowledge-based society, while teachers cannot afford to ignore the potential of ICT to enhance teaching and learning in classrooms. Yet, achieving an appropriate level of integration of ICT in teaching and learning present a number of challenges. These range from the provision of necessary physical resources to the issue of curriculum development and assessment and professional development of teachers. The remainder of this report describes the current stages of development of ICT in schools.

It presents examples of good practices as well as areas of concern and provides a series of recommendation for policymakers and schools, that, if implemented, they would serve to enhance learning experience of young people in our schools. It has also been observed that most schools require advice on proper management of technology regarding ICT. The NCTE should explore how schools may be supported in this regard. Change can be successful if leadership is involved in the change. Everyone thinks that charismatic leaders are very effective and any change if done by them will be effective. In fact the leadership which is distributive will be more effective in bringing change as it is spread throughout the institution. Leaders with humility and professional attitudes are able to bring in suitable change in the organization. Greater motivation and commitment of human resources are also important to make the system work. Capacity building exercise requires new infrastructure and competent trainers that can develop human resources for organizational operations.

A Distraction for Teens

Cdt. Prabal Pratim Kapil
X-A (6257) Udaygiri

From the invention of the mobile phone to the development of modified smart phones, the term 'social media' was unknown to the most of us. Social media, which involves activities of acknowledgment, achievements, goals, and technological information along with its darkness, is exposed now and then by various methods. Facebook, Instagram, and Twitter are some of the main sources of social media. These provide and update us with numerous information everyday. Informative videos and posts give us various ideas about the globe and the universe. Some people are so addicted to social media these days that life without it has become almost impossible for them. Many people make wrong use of social media sites by posting fake news and spreading rumours. Fake news has become a matter of serious concern now. There are people who have even lost their lives due to fake news and information on social media. Teens get addicted to it easily. It not only distracts them from their studies but also leads them to a bleak future.

Ways to Control it

Teens must realise the dark truth of social media. They must lead a healthy life to protect their future. Outdoor games and reading newspaper provide a healthy and an informative life respectively. Keeping a safe distance from social media and understanding its side effects will definitely help them live a gorgeous life.

अंतिम मंजिल तक का सफर

ऐ बारिश

ऐ बारिश हर ले मेरी पीड़ा।
हवा में है शोक का मौसम,
लेहरों में है दर्द की गहराई,
ये दीवारें चीख-चीख कर पूछ रही हैं
उन रुहों की कहानी
ऐ बारिश हर ले मेरी पीड़ा,
हमारे घरों में जलते हैं शोक के दिये,
जब हमने अपनों को खोया
हाथ सर से जब उनका छूटा
इन नाजुक कंधों पे ज़िम्मेदारी का भाव टिका
ऐ बारिश बता मुझे कि मैं कैसे समझाऊँ माँ को,
कि वे वापस आएँगी नहीं,
काल की गहराइयों में दब गए वह कहीं
कि वह वापस आएँगी नहीं।

अभी तक का सफ़र हुआ है बड़ा निराला,
परंतु अभी बाकी है अंतिम मंजिल का आना।
जब तक है तुम्हारे अंदर अपने लक्ष्य को पाने का हौसला,

और है मन में तुम्हारे ज्वाला-सी उर्जा,
कोई न कर पाएगा तुम्हें, तुम्हारे अपने लक्ष्य से जुदा।
तू बढ़ता जा ताकि कोई न कह सके,
क्या यही है तुम्हारी हिम्मत एवम् हौसला।

जब है तुम्हारा मार्ग काँटों से भरा,
और है कठिनाइयाँ आकाश सी-ऊँची।
तू रुक मत, उन कठिनाइयों को सहता जा
और बढ़ता जा.....
हौसला।

बारिशों में मिट्टी से सना शरीर,
गर्मियों में शरीर से टपकता पशीना,
यही है तुम्हारे कर्मों के चिह्न
जो नहीं कर पाएँगे तुम्हें अपने लक्ष्य से भिन्न
तू बढ़ता जा.....

अंतिम पग है तुम्हारी मंजिल,
तू अगर चाहता है इसको पाना,
तो तुझे होगा कई हदों से गुजर जाना
तू रुक मत और अपने कर्मों पर, कर यह भरोसा।
और बढ़ता जा.....

इच्छाएँ

मनुष्य का मन

कृष्ण-सा साँवला रंग
और बर्फ-सा श्वेत ढंग
व्यक्ति है उसका मन
ना कि बाहरी तन
चन्द्रग्रहण न लगाओ उस पर
आभूषण समान चेहरा न जिसपर
कबीर कहे सो; म्यान का क्या काम
जब धार का होता है दाम

पता नहीं कहाँ से आती हैं ये इच्छाएँ,
सुनने में आसान-सा लगता है।
पर पूर्ण करने में आती है कठिनाइयाँ बहुत सारी,
बचपन से अनेक इच्छाएँ जागीं,
पर असफलता के कारण बहुत सारी पूर्ण न हो पाईं।

मालूम नहीं जाने कहाँ चली जाती है इच्छाएँ सारी?
इच्छा तो हम सब में होती है,
पर पूर्ण करने वाला कहाँ,
कोई है तो हम खुद।

न जाने कितनी ही इच्छाएँ मन में प्रवेश कर जाती हैं,
पर अकारण ही कितनी मर जाती हैं।
यदि इच्छा पूर्ण हुई तो खुशी मिलती है,
असफलता मिली तो दुख-सा महसूस होता है।

हुआ पूर्ण या अपूर्ण पर
इच्छाएँ तो हमारे मन की जननी होती हैं।

धोखा

हमें किसी ना किसी को प्यार करना चाहिए

यदि हमें इस पृथ्वी पर अपना रहना उचित लगता है,
हमें हर दिन किसी को, चाहे कोई भी कहीं पर हो,
प्यार करना चाहिए अपने अलावा।
क्योंकि सारस भी अपने साथी के बिछड़ जाने पर शोक
मनाता है,
और मानव भी अपने साथी के लिए दुखी होता है।
कोई तो ऐसा होना चाहिए,
जो दिन भर की थकान और गर्मी के बाद,
आपके साथ बैठकर अपना दुख-दर्द बाँटे।
बिना प्यार के स्पर्श के कोई जीवन नहीं है,
और हम मिट जायेंगे।

नफरतों की इस
दुनिया में,
न जाने कहाँ
प्यार छुपा है।
आज अपनों पर ही
भरोसा करना
दुस्वार हो गया।
किस पर विश्वास करूँ
किस पर न करूँ
ये बता दे मेरे खुदा,
जब अपनों ने दिया धोखा
तो गैरों से शिकायत क्या?
धोखाधड़ी की इस दुनिया में,

पुस्तक मेला

शैन्यछात्र अमनदीप

आठवीं (6463) एकलव्य

ज्यों-ज्यों पुस्तकों का प्रकाशन होता गया और पुस्तकों के अध्ययन-अध्यापन में लोग रुचि लेने लगे, त्यों-त्यों पुस्तक मेला की आवश्यकता महसूस की जाने लगी।

पुस्तक मेला वह स्थान है जहाँ लेखक, शिक्षक, छात्र-छात्राएँ और विद्वान सभी उपस्थित होते हैं और अपनी पसंद की पुस्तक खरीदते हैं। इस मेले में बच्चे, जवान, बूढ़े तथा लड़के-लड़कियाँ सभी उम्र और वर्ग के लोग जाते हैं और अपनी-अपनी रुचि के अनुसार पुस्तकें चुनते और उनके अध्ययन से लाभ उठाते हैं।

पुस्तक मेला का मुख्य उद्देश्य पुस्तक प्रेमी जनता में ज्ञान और रुचि की भूख जगाना होता है। इसके साथ ही देश-विदेश के प्रकाशक अपने प्रकाशन का प्रचार-प्रसार करते हैं ताकि लोग अपनी पसंद की पुस्तकें खरीद सकें। इन मेलों में उन पुस्तकों का प्रदर्शन होता है जो मनुष्य की प्रतिभा, बुद्धि और शिक्षा की उन्नति व प्रगति में सहायक हैं।

पुस्तक मेला किसी खुले स्थान पर होता है। अनेक पंक्तियों में प्रकाशकों की दुकानें लगाई जाती हैं। हर दुकान इस प्रकार सजाई जाती है कि लोगों का ध्यान इस पर अपने आप ही चला जाए। रात के समय मेले की सजावट इस प्रकार बनाई जाती है लगता है जैसे दिवाली का दृश्य हो। वहाँ मनोरंजन की भी सामग्री जुटाई जाती है जैसे सांस्कृतिक कार्यक्रम, तरह-तरह के खेल तमाशे भी होते हैं। इन आयोजनों से दर्शकों को मनोरंजन के साथ उनका ज्ञानवर्धन भी होता है। सुरुचि और सौंदर्य का ध्यान रखा जाता है। हर दुकान के सामने भीड़ जमा होती है और लोग पुस्तक चुनने में लग जाते हैं। इन पुस्तकों से मन की अज्ञानता मिटती है और प्रतिभा तथा ज्ञान का विकास होता है। पुस्तक प्रेमियों को मनोरंजन के साथ-साथ ज्ञान और शिक्षा के ग्रहण में भी सहायता मिलती है।

पीछे रहकर मत रहो,
किसी के चक्कर में मत पड़ो,
बढ़ो-बढ़ो तुम आगे बढ़ो।

चढ़ो-चढ़ो पहाड़ों पर चढ़ो,
आसमान की ऊँचाइयों में उड़ो,
पत्थर की तरह तुम जुड़ो,

जल्दी उठकर तुम पढ़ो
हवाओं की तेजी से बढ़ो

वृक्ष का महत्व

शैल्यछात्र आकाश कुमार
आठवीं (6462) एकलव्य

अगर रहना है धरती पर,
करो वृक्षारोपण लोगों।
जिस तरह हम काटते पेड़,
उसी तरह पेड़ लगाओ लोगों॥

हमें पता है कि अगर पृथ्वी पर रहना चाहते हैं तो वृक्ष ना काटकर हमें वृक्षारोपण करना चाहिए। लेकिन हम देखते हैं कि लोग वृक्षारोपण न करके वे उन्हें काटने में लगे हैं। पेड़ काटने से हमें कई समस्याओं का सामना करना पड़ता है। जैसे कि (i) पानी की कमी (ii) वृक्षों की कमी (iii) वृक्षों की कमी के कारण कई जानवर हमारे गाँव-घरों में घुसकर हम पर हमला करने लगते हैं।

लोग पेड़ क्यों काटते हैं? क्योंकि जहाँ पर पेड़ हैं उसे काटकर वे वहाँ पर खेती करना चाहते हैं, घर बनाना चाहते हैं या फिर वह पेड़ों को पेपर बनाने के काम में लाना चाहते हैं, आदि। अगर वृक्ष धरती पर ना रहा तो एक दिन ऐसा भी आएगा जब धरती पर कई जीव-जंतु तथा मनुष्य यहाँ पर बढ़े तापमान के कारण नहीं रह सकेगा। लेकिन मैं यह सब बात आपको क्यों बता रहा हूँ? क्योंकि आप पढ़े-लिखे समझदार आदमी हैं। आप जहाँ भी देखें कि पेड़ की कटाई हो रही है, वहाँ पर जाएँ और उन्हें पेड़ों का महत्व बताकर पेड़ को काटने से रोकें।

मैं आपको एक और बात बताना चाहता हूँ कि हमारी सरकार द्वारा कई स्कीम लायी गई हैं। जिसमें हमें वृक्षों का रोपण करने को कहा गया है। जैसे कि वनोत्सव जिसमें लाखों मनुष्य हर साल भाग लेते हैं और लाखों की संख्या में वृक्षारोपण करते हैं। अतः हम आपसे निवेदन करते हैं कि हर एक पर्व-त्योहार में एक वृक्ष का रोपण अवश्य करें।

समय ठीक उस घड़ी की सुई की भाँति है जो निरंतर चलती रहती है। समय हमें दिखता तो नहीं परंतु सबकुछ दिखा जाता है। प्रकृति का नियम है कि जिस काम को जिस समय पर पूरा किया जाना चाहिए, अगर वह कार्य उस निर्धारित समय पर न हो तो भविष्य में हमें वह अवसर फिर प्राप्त नहीं होता।

सही अवसर प्राप्त होने पर अगर कार्य को किया गया तो अक्सर भविष्य में उसका परिणाम सुखद होता है। अगर सही समय पर पढ़ाई न हो तो बच्चे अपने मनवांछित अंक प्राप्त नहीं कर सकते, अगर सही अवसर पर रेलगाड़ी नहीं पकड़े तो इंसान सही समय पर अपने गंतव्य स्थान तक नहीं पहुँच सकता। सही समय पर अगर व्यक्ति कार्यालय न पहुँचे तो उस दिन का कार्य वह सही ढंग से पूरा नहीं कर सकता। अगर एक शब्द में कहें तो इंसान को किर्करतव्यविमूढ़ नहीं बनना चाहिए। एक किसान हमेशा सही अवसर देखकर ही अपने खेत-खलिहानों में पानी या खाद (उर्वरक) का उपयोग करता है क्योंकि वह इस बात को भली-भाँति जानता है कि अगर अवसर रहते वह खेत की पानी से सिंचाई नहीं करेगा तो उसकी फसल बर्बाद हो जाएगी और अगर फसल बर्बाद हुई तो परिवार के साथ अपने देश के लोगों का भी भरण-पोषण नहीं कर पायेगा।

एक शिक्षक को भली-भाँति ज्ञात होता है कि अगर सही अवसर पर बच्चों की गलतियाँ न सुधारी गईं, अगर उन्हें नहीं डाँटा गया तो देश के सुनहरे भविष्य 'काल के गाल' में समा जायेंगे और वह देश पतन की गहरी खाई में गिर जायेंगे।

एक चालक को भली-भाँति ज्ञात होता है कि सही अवसर पर गाड़ी को ब्रेक लगाना है, अगर वह सही समय में गाड़ी का ब्रेक न लगाए तो, न जाने कितनों के जान-माल का नुकसान कर उन्हें उनके बच्चों या परिजनों से हमेशा-हमेशा के लिए अलग कर देगा।

हमें अपने विद्यालय के शिक्षकों तथा अधिकारियों द्वारा हमेशा

सिखाया जाता है कि 'Right time, Right Place, Right Dress' अर्थात् हमें हमेशा 'सही जगह, सही समय तथा सही गणवेश' में उपस्थित होना चाहिए। अगर हम सही समय पर पहुँचने में अक्षम रहे तो हम दंड के भागीदार बन जायेंगे।

हम अवसर देखकर हमेशा अपने आपको ढालते तथा तैयार करते हैं। शुभ अवसर पर हम घरों में अच्छी-अच्छी पोशाकें पहनते हैं। हमारे घरों में खुशियों के गुब्बारे फूटते हैं, चारों ओर वातावरण खुशहाल-सा रहता है। परंतु वहीं अगर अवसर मातम का हो तो चारों ओर दुखों की चादर फैल जाती है। परिवार पर दुखों का पहाड़ टूट पड़ता है।

अवसर हाथ से निकल जाए तो चाहे लाख कोशिश कर लें, चाहकर भी हम उस अवसर को प्राप्त नहीं कर सकते। हमें हमेशा अपने बड़ों से सीख लेनी चाहिए क्योंकि वह हमें आने वाले समय के लिए तैयार करते हैं।

प्राचीन काल में अक्सर राजा अपने दुश्मनों पर सही अवसर देखकर प्रहार किया करते थे। क्योंकि अगर वह सही अवसर पर प्रहार नहीं करते तो उन्हें मुँह की खानी पड़ती और वह अपने साम्राज्य को खो देते। अवसर देख कर करो प्रहार, वरना विफल रहेगा हर बार।

कहा गया है कि 'समय बलवान तो गधा पहलवान है किसी अवसर के आने पर अर्थहीन वस्तु भी मूल्यवान हो जाती है। हम अपने दैनिक जीवन में न जाने कितने रुपये व्यर्थ खर्च करते हैं लेकिन अवसर पड़ने पर जब रुपयों की जरूरत पड़ती है तो मुँह अपना-सा बनकर रह जाता है। आज के नेता चुनाव खत्म हो जाने के बाद आम जनता को काफी हद तक भूल ही जाते हैं लेकिन चुनाव आने पर आम जनता की जरूरत सर्वोपरि हो जाती है। आम जन को इस बात से सीख लेनी चाहिए कि नेताओं की अवसरवादिता को अपने लिए सुअवसर में तब्दील करे। अंत में इन सारी बातों से सीख लेकर अवसर बीतने से पूर्व अपने कार्य को पूर्ण कर लेना चाहिए कहा गया है कि "का वर्षा जब कृषि सुखाने" अतः हम इंसानों को अपनी गलतियों से सीख लेकर अवसर का सम्मान करना चाहिए तथा किसी भी कार्य को सही अवसर पर करना चाहिए।

सैनिक का जीवन

अगर आप चैन की नींद सो रहे हैं, तो वह सिर्फ हमारे सैनिकों की वजह से। आज जो हम बिलकुल आजादी से, सुरक्षा के साथ जी रहे हैं, वह सिर्फ जवानों के कारण। क्योंकि सभी सैनिक अपनी जान की चिंता किए बिना हमारी रक्षा करते हैं। एक सैनिक का जीवन आसान नहीं होता है। कभी कश्मीर की सीमा पर तो कभी पाकिस्तान से लगी सीमा पर पहरा देते हैं। जब एक साधारण व्यक्ति के पास निश्चित क्षेत्र (रहने हेतु) होता है तो वह क्षेत्र उसका अपना घर होता है। उस समय एक सैनिक का क्षेत्र युद्ध का क्षेत्र होता है। वह कभी भी अपने कर्तव्य से विचलित नहीं होता है उसके कर्तव्य के आगे संसार की सारी सुख-सुविधाएँ बेकार हैं।

एक सैनिक का धैर्य अनंत होता है। शत्रु के सामने और युद्ध में वह धैर्य नहीं खोता है। दुश्मन की गोली खाकर भी वह धैर्यपूर्वक स्थिति का सामना करता है। जब वह शत्रु सेना के नियंत्रण में होता है तो भी वह अपने देश के रहस्यों का खुलासा नहीं करता है। उसे अहसास होता है कि उसका जीवन उसके देश से कीमती नहीं है। अपने काम करते वक्त सैनिक अपने साहस का प्रदर्शन करता है। जितनी भी कड़ी परिस्थिति क्यों न हो वह अपने साहस के साथ सामना करता है। यद्यपि वह युद्ध में लहलुहान होता है, तब भी वह अपने मित्रों की वीरगति पर न तो हिम्मत हारता है और न ही कायरता दिखाता है।

सैनिक का लक्ष्य दुश्मन को मारना है। देश की सेवा करना ही उसका अंतिम लक्ष्य होता है। एक सैनिक की सबसे बड़ी सफलता पर भारत सरकार द्वारा परम वीर चक्र दिया जाता है। जब उन्हें उनकी वीरता के लिए पुरस्कृत किया जाता है तो उन्हें लगता है कि उसका असली लक्ष्य हासिल हो गया है।

सैनिक निडर होता है वह युद्ध में लड़ने या मरने से कभी नहीं डरता है। संसार में जन्म लेने पर मृत्यु ही अनिवार्य है। वह कभी कायरों की तरह मरना नहीं चाहता है। निर्भयता उसका श्रृंगार है। वह अनुशासित जीवन जीता है। वह जीवन के हर क्षेत्र में अनुशासन बनाए रखता है। वह शीर्ष कर्मचारियों के प्रति

उचित सम्मान दिखाता है। जब वह कुछ मुश्किलों का सामना करता है तब वह उच्च पदस्थ अधिकारियों के साथ मिलकर विनम्रता के साथ उस मुश्किल का हल निकालता है।

एक सैनिक की अभिलाषा सेवा भाव है। पैसा कमाना उसकी इच्छा नहीं है। वह परिवार की चिंता करके दुखी नहीं होता है। वह छुट्टी पर घर लौटता है, तो वह परिवार के साथ रहते हुए भी अपनी जिम्मेदारी नहीं भूलता है। उसे याद आता है; सरहद पर पहरा देना और बंदूक चलाना। देश की सुरक्षा और रक्षा के लिए सेवा की भूमिका महत्वपूर्ण है। वह देश के सभी सम्मानित लोगों में से एक है। शहीद होकर वह मातृभूमि की शान है। इसलिए सैनिकों के लिए दिवंगत प्रधानमंत्री लाल बहादुर शास्त्री का “जय जवान, जय किसान” प्रेरणास्रोत है।

“বাইদেউ ঘৰত আছেন?” কাৰোবাৰ মাতত সাৰ পালে অৰূপাই। আজি ৰবিবাৰ যেতিয়া অকণমান দেৰিকৈ উঠিলেও হব বুলি ভাবি অৰূপা শুয়েই আছিল। মাতযাৰ শনি উঠি বহিল তাই। অলপ বেয়াও লাগিল ভাবি – ৰাতিপুৱাই কোন আহিল তাইক বিচাৰি? উঠিগৈ দৰ্জাখন খুলি বিমলাক দেখি মনটো ভাল লাগি গল তাইৰ।

বিমলা তাইৰ নিজৰ কোনো নহয়। দুখীয়া বিমলাই দুটি সন্তানেৰে নিজৰ ঘৰখন পৰিশ্ৰম কৰিয়ে চলায়। মাইনাজনী সবু থাকোতে বিমলাই তাইক মাজে মাজে আহি সহায়ৰ হাত আগবঢ়াইছিল। দুখীয়া হলেও তাই সং আৰু পৰিশ্ৰমী। কোনোদিনে অনাহকত তাই একো বস্তু নিবিচাৰে।

“আহা, বহা” বুলি বিমলাক মাতিলে অৰূপাই। “আহিলা ভালেই কৰিলা দিয়া। লকডাউন, বন্ধ বেমাৰ আজাৰৰ বাবে বহুত দিন তোমালোকৰ একো খবৰেই নাপাওঁ।” বিমলাইয়ো মহামাৰীৰ বাবেই ঘৰৰ ভিতৰলৈ নগৈ বাহিৰৰ বাৰান্দাতে হব বুলি কৈ মূঢ়াটোতে বহিল। বিমলাক বহিবলৈ কৈ অৰূপা গা-ধুবলৈ গল। গা-ধুই আহি সকলোৰে বাবে চাহ বনাই ঘৰৰ বাকীবোৰৰ লগতে বিমলাকো দিলে।

অৰূপাই জানে বিমলা ৰাতিপুৱাই এনেয়ে অহা নাই। কিন্তু তাই একো বস্তু নিবিচাৰেও। অৰূপাই মনতে কথাখিনি ভাবি তাইৰ খবৰ ললে- কেনেকৈ চলিছে তাইৰ পৰিয়াল। লকডাউনৰ বাবে কামো কৰিব পৰা নাই তাই ---। বিমলাই কলে, “চলি আছো আৰু বাইদেউ। চৰকাৰ বিনামূলীয়া চাউল, ইজনে সিজনে দিয়া সাহায্যৰ লগতে বাৰীৰ শাক পাচলি বিক্ৰী কৰো ওচৰ চুবুৰীয়াৰ তাত।” অৰূপাই কলে, “আহিছা ভালেই হৈছে। দুপৰীয়াৰ সাজ খাই যাবা।” “নাই, নাই, বাইদেউ লৰা দুটাক ভাত ৰান্ধি দিব লাগিব।” “ঠিক আছে, হব দিয়া” বুলি কৈ অৰূপা ভিতৰলৈ সোমাই গল।

অৰূপাই বিমলাক দিবলৈ বুলি মনে মনে ভাবি থকা বস্তু কেইটা মোনা এখনত ভৰালে। লগতে টকা পাঁচশও ললে।

“কৰণা মহামাৰীৰ বাবে লকডাউন হব বুলি ভাৱি ঘৰুৱা বজাৰ খিনি বেচিকৈ কৰি থৈছিল তেন্তে।” – বিমলাই মাত লগালে। “অ”, অলপ কৰি থৈছিলো। “বাইদেউ, মই যাওঁহে। বহুত দিন দেখা নাই বাবে এবাৰ চাবলৈ হে আহিছিলো।” বিমলাৰ মাত শনি অৰূপা মোনাখন লৈ বাহিৰলৈ ওলাই আহিল। বিমলাৰ পিনে মোনা আগবঢ়াই দিলে আৰু লগতে টকা পাঁচশ দি কলে – “এই খিনি লোৱা, কিবা কিবিকিনি নিবা।”

তাকে দেখি বিমলাৰ মুখত হোৱা হাঁহিৰ বিৰিঙনি বহুত দিনলৈকে অৰূপাৰ মনত দোলা দি থাকিল। যিনহওঁক এই মহামাৰীৰ দিনত অন্ততঃ এটা পৰিয়ালক অকণ মান সহায়ৰ হাত আগবঢ়াব পাৰি অৰূপাই যি আনন্দ পালে সেয়া কেবল তাইহে অনুভৱ কৰিব পাৰিলে। বিমলা যোৱাৰ পিনে চাই বল অৰূপাই.....।

সফলতাৰ আঁৰৰ এক কাহিনী

“অ বোপাকণ শুনচোন, তই আজি কালি পঢ়া শুনা এবিলি নেকি? স্কুললৈ নহা হলি যো। কিবা অসুবিধা হৈছে যদি কবি” ললিত ছাৰৰ কথাখিনিয়ে বোপাকণৰ মন টোত অকৌ অশান্তিৰ সৃষ্টি কৰিছে। তাৰ অতীতৰ মধুৰ কাহিনীবোৰ মনত পৰিছে। মাক দেউতাকৰ সৈতে তাৰ সুখৰ দিনবোৰ। সি মেধাৱী হোৱাৰ লগতে স্বভাৱ চৰিত্ৰ ভাল বাবে সকলোৱে তাক মৰম কৰিছিল। কিন্তু বিধাতাৰ কাল চক্ৰত বোপাকণহঁতৰ ঘৰলৈ ঘোৰ অন্ধকাৰ নামি আহিল। তাৰ মৰমৰ দেউতাক জনৰ অকাল মৃত্যু ঘটে আৰু লাহে লাহে মাকৰো স্বাস্থ্য অৱনতি হৈ আহে।

বৰ্তমান মাকৰ আশ্ৰয় একমাত্ৰ বিচনা খন। দুবেলা দুমুঠি খাই জীয়াই থাকিবলৈ বোপাকনে তাৰ কোমল হাতে হাতুৰি ধৰি সি বাস্তা বনোৱা কামত যোগালি কৰিবলৈ আৰম্ভ কৰিলে। প্ৰথমতে স্কুল নোযোৱাৰ সিধান্তই তাক আমনি কৰিছিল যদিও সি সেই আবেগ বান্ধি ৰাখি স্কুলৰ সন্মুখেদি সি তাৰ কৰ্ম স্থানলৈ যাবলৈ ধৰিলে।

কিন্তু আজি ললিত ছাৰৰ কথাই তাক অকৌ বৰ আমনি কৰিছে। সি ছাৰৰ কথা বোৰ কব নোৱাৰে কাৰণ কথা কলেই সি কান্দি উঠিব। সি কথাবোৰ ঘৰৰ আগফালে বহি ভাবি থাকোতেই দেখিলে কোনোবা সিহঁতৰ ঘৰৰ জপনাখন খুলি সোমাই আহিছে। ললিত ছাৰ, হয় জোনাকৰ পোহৰত সি ঠিকেই ধৰিব পাৰিছে। সি লৰালৰিকৈ পীৰা এখন আনি ছাৰক বহিবলৈ দি চাহ বনাবলৈ ভিতৰলৈ যাবলৈ ধৰোতে ছাৰে মানা কৰি ঘৰত খাই আহিছো বুলি কলে। “মই তোক দিনত কি সুধিছিলো? তই কি কাৰণে স্কুল নোযোৱা হলি?” কওঁ নকওঁ কৈ বোপাকণ সেমেকা চকুৰে সকলো কথা কলে। সিহঁতৰ ঘৰ খন গাঁৱৰ একেবাৰে মূৰতাসকলোৱে ভালকৈ চিনি নাপায় তাতে ছাৰ ওচৰৰ গাঁওখনৰ গতিকে বৰ গম নাপায়। ছাৰে অকণমানদেৰি ভাবি কলে “তই স্কুল আহিবি তই হাইস্কুলশিক্ষান্ত পৰীক্ষা দিব লাগিব। মই তোক কাম এটা দিম, তাৰ পৰা অকণমান উপাৰ্জনো কৰিব পাৰিবি।” মাকৰো খবৰ এটা লৈ ছাৰ গলগৈ। বোপাকণৰ মূৰটো গধুৰ গধুৰ লাগিল, হাইস্কুলশিক্ষান্ত পৰীক্ষা লৈ মাত্ৰ চাৰিমাহ আছে আৰু সি একো নাজানে।

ছাৰৰ কথামতে সি দোকমোকালিতে ছাৰৰ ঘৰলৈ গৈ ছাৰৰ গৰুজনীৰ গাখীৰ বেচি স্কুললৈ গল। হাজিৰা কৰি টান হোৱা হাতখনেৰে আখৰ লিখোতে প্ৰথমতে হাত কঁপিছিল। এনেদৰে সদায় গাখীৰ বেচাৰ পিছত স্কুললৈ আজিৰ সময়ত ললিত ছাৰৰ পৰা নুবুজা কথা বোৰ বুজি সকলো বিষয় যেনেতেনে পঢ়ি শেষ কৰি সি পৰীক্ষাত বহিল।

আজি সিহঁতৰ বিজাল্ট দিবা। বোপাকণ তাৰ দেউতাকে বোৱা নাহৰ জোপাৰ তলত বহি দেউতাকলৈ মনত পেলাই এবাৰ সেৱা কৰিলে। সময়মতে বিজাল্ট আহিল। কিন্তু এইয়া কি! বোপাকণে অসমৰ ভিতৰত পাঁচ নম্বৰ স্তান দখল কৰিছে। স্কুলৰ সকলো শিক্ষক আৰু ছাত্ৰ ছাত্ৰী সকল বোপাকণৰ ওচৰলৈ গল। ললিত ছাৰে তাক খবৰটো দিলে। বোপাকণে ছাৰক সাৱটি ধৰি হুকুকাই কান্দি পেলালে। তাৰ মাক যি বিচনাৰ পৰা উঠিব নোৱাৰাইছিল তেওঁ খবৰটো পাই স্কুলৰ ওচৰৰ নাহৰৰ তলত সকলোকে দেখি তালৈ গৈ বোপাকণক সাৱটি ধৰিলে আৰু সি মাকক কলে “ললিত ছাৰৰ নিচিনা সকলো হোৱাহেতেন অসমখন এখন বেলেগ অসমলৈ ৰূপান্তৰিত হল।” সকলোৱে মাক পুতেকক দেখি আবেগিক হৈ পৰিল।

গেংটক আৰু দাৰ্জিলিং যাত্ৰাৰ এক অভিজ্ঞতা

কেডেট মুক্কা দাস

(৬৭১৩) ছাত্ৰীনিবাস : চন্দ্ৰপ্ৰভা

মোৰ জীৱনত প্ৰথমবাৰ অসমৰ বাহিবলৈ ভ্ৰমণ। মোৰ মনত খুব আনন্দ আৰু ফুৰ্তি। যাত্ৰা চিকিমৰ ৰাজধানী গেংটকক আৰু দাৰ্জিলিংলৈ।

১২ জুন ২০১৮ চন। মই মা-দেউতাৰ সৈতে সন্ধিয়া গুৱাহাটীৰ পৰা ট্ৰেইনযোগে চিকিমলৈ যাত্ৰা আৰম্ভ কৰিলো। প্ৰায় ১২ ঘণ্টাৰ অন্তত পিছদিনা ১৩ তাৰিখে ৰাতিপুৱা প্ৰায় ৫ বজাত নিউ জলপাইগুৰি ষ্টেচনলৈ গৈ পালো। ষ্টেচনৰ পৰা আমি এখন টাটা চুমু গাড়ীৰে চিকিমৰ ৰাজধানী গেংটকলৈ বুলি যাত্ৰা আৰম্ভ কৰিলোঁ। সেউজীয়া পাহাৰীয়া একা-বেকা পথেৰে আমাৰ গাড়ী আগবাঢ়িল গন্তব্য স্থানলৈ। পথৰ কাষে কাষে শাৰী শাৰী পাইন গছ। প্ৰায় ৫-৬ ঘণ্টাৰ পিছত আমি গেংটক গৈ পালো। গেংটক পাই আমি আগে বুকিং কৰি থোৱা এখন হোটেল লৈ গা-পা ধুই সতেজ হৈ ললো। তাৰ পাছত ব্ৰেকফাষ্ট কৰি দিনত কতো ফুৰিবলৈ নোযোৱাতো ঠিক কৰিলো কিয়নো আমি ভাগবুৱা অনুভৱ কৰি আছিলো। সন্ধিয়া হ'লত আমি আমাৰ থকা হোটেলৰ পৰা কিছু আঁতৰত থকা এম.জি. মাৰ্গলৈ (M.G Marg) খোজ কাঢ়ি গলো। যথাস্থানত গৈ পাই মই অভিভূত হৈ পৰিলো। এম.জি. মাৰ্গ এখন সুন্দৰ ঠাই। শাৰী শাৰী দোকান থকা এখন ডাঙৰ বজাৰ। বজাৰৰ মাজে মাজে আছিল পানীৰ ফুঁৱাৰা, ফুলৰ গছ - গছনি। তাতে জাতিৰ পিতা মহাত্মা গান্ধীৰ প্ৰতিমূৰ্তি আছিল। মহাত্মা গান্ধীৰ স্মৰণত এই স্থান খিনি M. G Marg হিচাপে নামাকৰণ কৰা হৈছে। খুব পৰিষ্কাৰ অঞ্চলটো। তাতে উপস্থিত হৈ এনে লাগিছে আমাৰ গুৱাহাটীও যদিও এনেদৰে পৰিষ্কাৰ হ'লহেতেন, তাতে কোনো ধৰণৰ যান-বাহন সোমাবলৈ দিয়া নহয়। ৰাস্তাৰ কামত মানুহ বহিবলৈ লোহাৰ চকী দিয়া আছিল। আমি তাতে বহি কিছু থাকি বজাৰ-সমাৰ কৰিলো লগতে মোবাইলত ফটোও উঠিলোঁ।

সেইদিনাই আমি ৰেষ্টুৰেণ্টত চিকিমত খুব প্ৰচলিত প্ৰধান খাদ্য মমোও খাইছিলো। গেংটকত থকাৰ সময়ত দুবাৰ গৈছিলোঁ MG Marg লৈ। নিশাৰ MG Marg ৰ দৃশ্য একেবাৰে পৃথক। ৰং বিৰঙৰ নিয়ন লাইটৰ পোহৰত আৰু অধিক মনোমোহা হৈ পৰে।

পিছদিনাৰ যাত্ৰা আছিল অন্য ঠাই লৈ। ৰাতিপুৱাই শুই উঠি আমি গলো চাংগো লেকলৈ। লেক পাও পাও হওতে দূৰৰ পাহাৰত বৰফবোৰ মনিৰ দৰে জিলিকি থকা দেখিছিলো। চাংগো লেকত খুব ধুনীয়া পৰিবেশ আছিল, লেকৰ কাষত সুন্দৰ কৈ সজাই পৰাই ৰাখি থোৱা যাক দেখা পালোঁ। আমি যাক ৰাইড কৰিলোঁ লগতে যাকৰ পিঠিত উঠি আমি জনজাতীয় পোছাক পিন্ধি ফটোও উঠিলোঁ। তাতে আমি বহু

নান্দনিক দৃশ্য উপভোগ কৰি অলপ সময় কটোৱাৰ পিছত পুনৰ গাড়ীৰে গেংটকৰ হোটেল লৈ উভতি গলো।

পিছদিনা অৰ্থাৎ ১৬ তাৰিখে গাড়ীৰে হোটেলৰ পৰা আমি বুদ্ধ মন্দিৰলৈ গৈছিলো। বুদ্ধ মন্দিৰৰ পৰিবেশটো খুব শান্ত আছিল। বুদ্ধ মন্দিৰত সেৱা জনালোঁ, বুদ্ধ মন্দিৰত বুদ্ধ ভিক্ষুক লগ পাই কথাও পাতিলোঁ। বুদ্ধ মন্দিৰৰ পৰা যাত্ৰা পাহাৰৰ একেবাৰে শীৰ্ষত থকা Tashiview point লৈ। Tashi view point ৰ পৰা সম্পূৰ্ণ গেংটক চহৰ খন দেখা পাই কিছু আঁতৰত থকা পৰ্বত মালাৰ মাজত দূৰৰে পৰা কাঞ্চনজংঘা শৃংগৰ কিছু দৃশ্য উপভোগ কৰিলোঁ। Tashi view point ত ড্ৰেগনৰ প্ৰতিমূৰ্তি দেখা পালোঁ। কেমেৰাৰ লেন্সত আবদ্ধ কৰিলোঁ তাৰে বহু সুন্দৰ সুন্দৰ দৃশ্য। পাহাৰৰ টিলাৰ Tashi view point পৰা উভতি আহোঁতে কেইবাটাও স্থানত আমি সু - উচ্চ পাহাৰৰ পৰা নামি অহা নিজৰা দেখিলো। উভতি অহাৰ পথতে ৰেষ্টুৰেণ্টত দুপৰীয়াৰ আহাৰ খালোঁ।

পিছদিনাৰ যাত্ৰা আছিল ভাৰত - চীন সীমান্তৰ নাথুলা অভিমুখে। নাথুলাত যাবলৈ বিশেষ পাছ লৈ যাব লাগে। পাহাৰীয়া একা-বেকা পথেৰে সু উচ্চাতত থকা নাথুলালৈ গৈছিলো। নাথুলাত আমি চীন আৰু ভাৰতৰ সীমান্ত দেখিছিলো। নিচেই কাষৰ পৰা ভাৰত আৰু চীন সৈন্য বাহিনীক দেখা পাইছিলোঁ। নাথুলাতে আমি বাবা হৰভজন সিঙৰ মন্দিৰো দৰ্শন কৰিছিলো। নাথুলা সাগৰ পৃষ্ঠৰ পৰা বহু বেছি উচ্চতাত আছে। তাতে আমাৰ উশাহতো অলপ অসুবিধা হৈছিল। আমি উভতি অহাৰ সময়ত তাতে অকণ অকণ বৰফো পৰিছিল। অতিপাত ঠাণ্ডা আছিল নাথুলাত। নাথুলাত কিছু সময় কটায় সুন্দৰ প্ৰাকৃতিক দৃশ্য উপভোগ কৰি হোটেল লৈ উভতি আহিলোঁ।

পিছ দিনাৰ যাত্ৰা আছিল Rope way লৈ। মনত ভয় লাগিলেও জীৱনত প্ৰথমবাৰৰ বাবে Rope wayত উঠা অভিজ্ঞতা হৈছিল। যিটো মোৰ বাবে সদায় অন্য এক স্মৰণীয় হৈ থাকিব। Rope way ত উঠাৰ পিছত সেইদিনাই গেংটক চহৰ খন খুব ফুৰিলোঁ আৰু লগতে আমি বজাৰ - সমাৰও কৰিলোঁ।

চাৰিদিনৰ গেংটক ভ্ৰমণৰ অন্তত মোৰ কিছু অভিজ্ঞতা। গেংটকত অধিক প্ৰচলিত নেপালী ভাষা। নেপালী, ভূটীয়া, লেপচা, কিৰাটিছ, আৰু গোৰ্খা সম্প্ৰদায় লোক বেছি।

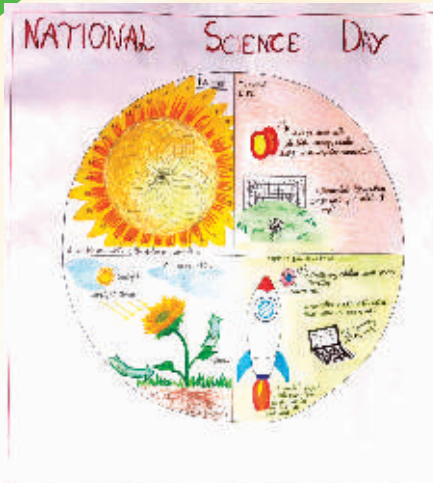

চিকিমৰ ৰাজধানী গেংটক এখন অতি স্বচ্ছ চহৰ। তাতে আমি ৰাস্তা-ঘাটত কতো জাবৰ দেখা নাছিলো...
